SCHOOL NEWS

Public Speaking Competition

Congratulations to Theo Wall & Tiahn Heard from the 3-4 Unit, and Poppy Allison and Mackenzie O'Meara from the 5-6 Unit who participated in the Primary School's Public Speaking Competition at St, Joseph's Chiltern on Friday. The 3-4s topic was **Creative Invention** - if you could invent something new, what would it be?

Tell us about it e.g. what is it made of, who is it for and how it could it be used? and the 5-6 topic was **Technology** - the impact of fast-moving technology on our lives and the environment is often overlooked, yet it can be far reaching. Is technology moving too fast for humans to keep up?

All students did a fabulous job at presenting their interesting and well thought out speeches using great eye contact and expression to engage with the audience. Congratulations to Theo and Poppy who won their year level sections!

2026 Class Placement - requests - Our teachers and leadership have begun placing students into their proposed classes for 2026. This well thought out and considered process ensures we aim for balanced and supportive classes that take into consideration factors such as gender balance, academic achievement, social and behavioural needs, and student personalities. Students will have an opportunity to contribute to this process by nominating 3 preferred learning partners.

Parents with requests can provide these in writing to Karryn by Friday, 7th November. Requests will only be taken in line with one or more of following three categories: Separation - valid reasons why their child should not be in the same class as another student.

Pairing - both families must submit matching requests for their children to be placed together. Teaching style - outlining the type of learning environment that best supports their child (specific teachers cannot be requested & teacher year levels for 2026 are currently being finalised). Families of siblings/cousins may also indicate whether they prefer their children to be placed together or apart.

Regards... Karryn Williams - Principal
