Welcome to almost Week 10!. Its hard to believe there are only 10 days of school remaining for 2024. There is a lot happening over this time, especially for our older students so please keep informed via the calendar in the newsletter, the Bulletin and Facebook page.

Transition days are well underway for our Foundation 2025 students and all students in Year 2-5 took part in their first of two transition sessions on Tuesday. These days are designed for students who will form a new cohort across the Units of 1-2, 3-4 and 5-6 a chance to get to know each other and learn some more about what it will look like at school in their new year level. These sessions are valuable in supporting a smooth transition into their next year level. Class groupings and teacher placement for 2025 have not yet been finalised, with students and families being informed of this prior to the end of
